Hi [REDACTED]

Would you please also ask Engineered Coil if they can provide proof of previously manufacturing this

part for government contracts and not just acting as supplier?

Thanks,

[REDACTED]

Hi [REDACTED]

I reached out to Engineered Coil and asked for information on the 93E1-A part vs. 93E1. I will let you know how they respond.

Thanks for your help!

Hi [REDACTED]

I haven't sent a 339 out yet. [REDACTED] just responded to me on Friday evening, which I saw Monday morning. [REDACTED] I replied yesterday asking [REDACTED] without going into specifics. I'm hoping to hear back from them today.

I went back and forth with Rick Campoli from PAR Products a few times, [REDACTED]

[REDACTED]

Would you please ask Engineered Coil if they have any data or knowledge of the 93E1-A part vs.

93E1?

form, fit and function. Trying to get as much information as possible before I send this back to the ESA.

Thanks,

Hi [REDACTED]

Are you able to provide a rough estimate on when we should hear back from the ESA? Awardee, Engineered Coil Company DBA DRS Marlo Coil, has emailed me requesting this information.

Thank you,
